DEAR LADIES AND GENTLEMEN,

1. We hereby present our offer regarding the price for implementation of the subject matter of the Public procurement.
2. The offered prices are determined in full accordance with the conditions under the Documentation for participation in the Procedure and include all costs and expenses for implementation of the subject matter of the Public procurement, including spare parts and consumables necessary for the commissioning of the Gas pipeline.
3. All stated prices are in euro, VAT exclusive.
4. We propose a total price for implementation of the subject matter of the procurement in the amount of 144.850.000,00 (one hundred forty four million and eight hundred fifty thousand)⁴ euro net of VAT, the calculation of which is based on the prices indicated in Part A of the Price tables – appendix to this Price offer (Total lump sum as specified in Section I of Part A), accompanied by analysis of the prices for the respective type of work in accordance with Section II of Part A of the Price tables.
5. I/We hereby declare that the price under item 4 includes all costs and expenses of the Contractor regarding the implementation of the respective activity, subject to the Public procurement.
6. I/We agree that the Contracting entity shall pay remuneration only for the performed and accepted quantities and types of activities.

¹ Only the correct text shall remain.

² If the representative(s) of the Participant is/are not citizen(s) of the Republic of Bulgaria please indicate individualizing information in accordance with the laws of the country whose citizen is/are the respective person(s).

³ When the Participant is represented jointly by more than one person the stated data shall be filled for each one of them.

⁴ Please indicate the total price both in figures and words.

Documentation for public procurement with subject matter: „Design, procurement and construction of the natural gas Interconnector Greece-Bulgaria (IGB Project)“

7. For the purpose of valuing the variation costs, I/we propose values of the price variation factors in accordance with Part B of the Price tables and hereby declare that each and every variation of the works shall be calculated pursuant to these price variation factors.
